

# CARFAX<sup>®</sup> VEHICLE HISTORY REPORT<sup>™\*</sup> AT MOTION FEDERAL CREDIT UNION

This certificate entitles the bearer to one (1) CARFAX Vehicle History Report, redeemable exclusively at Motion Federal Credit Union.

For your own car or one you are considering purchasing, use the space below to copy the 17 digit vehicle identification number (VIN) from the vehicle's dashboard or title document. Then take this completed certificate to Motion Federal Credit Union to receive your CARFAX Vehicle History Report.

A horizontal row of 17 light blue squares, each intended for a single digit of a 17-digit VIN. The squares are arranged in a single line and are currently empty.

CARFAX is the most trusted provider of vehicle history information and is relied on by millions of consumers each year. The company has built the most comprehensive vehicle history database ever assembled with over 8 billion records covering virtually all cars, light trucks and SUVs manufactured in the U.S. since 1981. CARFAX collects vehicle data from more than 34,000 sources, including all state DMVs and many police departments, service facilities and collision centers.

\*The CARFAX Vehicle History Report is offered to you by Motion Federal Credit Union and may only be redeemed at branches of Motion Federal Credit Union.
