

## **A message to our members**

***Motion Federal Credit Union is a member-owned cooperative – a partnership among our members and employees.***

We understand that there is tremendous uncertainty in the world today. Our commitment to serving our members, while protecting the health and safety of our members and employees, remains our priority.

### ***Taking steps to keep everyone healthy***

Our branches are taking precautions to clean, wipe down, and disinfect surfaces, and our employees are using hand sanitizer and good hygiene practices.

### ***Bank from home - 24/7 Account Access***

In addition to our branch locations, we offer **free** 24/7 account access via online banking and mobile banking. Members can view balances and transaction history information, make Motion loan payments, use our free online bill pay service, communicate with our Member Services Team via secure messaging, and quickly deposit checks using our mobile banking app. In most cases, funds from checks deposited using the mobile banking app are available just as quickly as if the check was deposited in one of our branches.

Members can also apply for Motion loans and credit cards via a secure application on our website and use secure remote services throughout the loan application process.

Our members have access to over 55,000 **free** ATMs nationwide using the Allpoint network. These ATMs are located in convenient places, with many ATMs in QuickChek and Wawa stores, CVS Pharmacy locations, and more.

### ***We are here to help our members***

We are here to serve our members, whether in our branches or using virtual services. You can contact us during our regular business hours by calling (908) 862-6966. Use option 1 for help with a lost or stolen Visa debit or credit card, option 2 to speak with a Member Service Representative, option 3 for assistance with loans, or option 4 to dial a specific extension.
